Appeal Specialists I, LLC: About Us

Our specialty is in claim processing and follow-up on denied health insurance claims. ASi employs experienced clinical staff and experienced insurance specialists. The area of focus for ASi is administrative and medical collections for hospitals in dealing with insurance companies.

ASi has had great success in working with hospitals to collect on past due accounts from insurance companies. ASi's debt collection services may go beyond the initial stage of collections, and into taking legal action to collect on a debt on behalf of the hospital. Aside from experience, ASi leverages training, technology and systemic resources to carry out their services.

ASi has been in the niche market of hospital debt collections for 5 years, and has worked with numerous hospitals on a continuous basis. By contracting unsettled debts on a contingency basis, ASi is focused on results because there is no benefit otherwise. ASi has developed a high level of expertise with the appeal process, in working aged accounts, in recovering the difference on short-paid accounts, and in patient account billing.

Working in conjunction with both care providers and individuals, we offer:

- An impressive history of medical billing and appeals experience.
- An extensive knowledge of state and federal insurance laws.
- Increased satisfaction from patients whose medical bills are paid.
- A high percentage of claims recovery.
- A strong commitment to serving our clients.
- Resolution of difficult accounts.
